Explanation -

The items of this amendment are housekeeping/technical changes only. This amendment should only be considered if other changes are made to this bill.

Item 1: changes the tag line of one section to better reflect all the actions of the section.

Item 2: eliminates the word "by" from the sentence, limiting the appropriation to increase only up to \$14M instead of allowing it to increase by \$14M, which will allow the appropriation to be increased up to \$21,510,970.

Item 3: eliminates the word "Expansion" from the project title.
